NOW THEREFORE, in consideration of the mutual covenants and promises set forth herein, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

AGREEMENT

I. APPOINTMENT OF CONTRACTOR

1.1 APPOINTMENT OF CONTRACTOR. The District hereby retains Contractor and Contractor agrees to perform certain services for the District (“Services”) pursuant to the terms and conditions set forth herein.

1.2 INDEPENDENT CONTRACTOR STATUS. Contractor is and shall be considered an independent contractor under this Agreement. Nothing herein contained shall constitute or designate Contractor or any of its employees or agents as employees or agents of the District, nor

shall Contractor be deemed or considered as a partner or agent of the District. Contractor shall have full power and authority to select the means, manner and method of performing its duties under this Agreement without detailed control or direction of the District except as set forth in this Agreement. It shall be Contractor's responsibility as an independent contractor to pay any and all taxes on payments which it receives under this Agreement and to pay its own costs and expenses incurred in connection with performance of this Agreement.

II. DUTIES AND AUTHORITY

2.1 GENERAL LIMITATIONS AND REQUIREMENTS. Contractor shall perform the duties and have the authority specified in Section 2.4 below. Contractor shall have no right or authority, express or implied, to take any action, expend any sum, incur an obligation, or otherwise obligate the District in any manner whatsoever, except to the extent specifically provided in this Agreement or specifically authorized or ratified by the Board of Directors (the "Board") of the District as reflected in the meeting minutes of the Board. Contractor shall at all times conform to the stated policies established and approved by the District.

2.2 COMPLIANCE WITH APPLICABLE LAW. Contractor shall provide the Services set forth herein in full compliance with all applicable laws, ordinances, rules, and regulations of any federal, state, county, or municipal body or agency thereof having jurisdiction in which this Agreement is performed. Contractor declares that Contractor has complied with all federal, state and local laws regarding business permits, certificates and licenses that may be required to carry out the Services to be provided under this Agreement.

2.3 NO RIGHT OR INTEREST IN THE DISTRICT ASSETS. Contractor shall have no right or interest in any of the District's assets, nor any lien with respect thereto, arising out of this Agreement or the performance of the Services contemplated herein.

2.4 SPECIFIC DUTIES AND AUTHORITY. Contractor shall perform the Services for the District as outlined on the Scope of Work in **Exhibit A** attached hereto and incorporated herein by reference. Contractor shall obtain approval from the District prior to providing any Services that vary from those Services set forth in Exhibit A attached hereto.

2.5 GENERAL DUTIES AND AUTHORITY. In connection with its specific duties, Contractor agrees to:

(A) Provide all Services specified in Section 2.4 herein in a good and workmanlike manner and in accordance with any and all approved plans, documents, and specifications described in Contractor's proposal to provide such Services to the District.

(B) Furnish, or cause to be furnished, all labor, materials, equipment, permits and accessories, as necessary, to provide such Services.

(C) Take all precautions necessary for safely and prudently conducting the Services required by this Agreement, including maintaining insurance as required by Part V hereof.

(D) Advise the District of the status of the Services required by this Agreement on a regular basis and work in coordination with the District's staff and consultants to assure that the District has the most complete information available for the exercise of the District's powers and discretionary authority.

(E) Refrain from entering into any contract, oral or written, in the name of the District, and from incurring any debt, liability or obligation for or on behalf of the District. All obligations incurred by Contractor shall be the obligations of Contractor whom shall hold the District harmless therefrom.

III. COMPENSATION

3.1 FEE CALCULATION. Contractor shall be paid as set forth in **Exhibit B** attached hereto and incorporated herein by reference and in accordance with the procedures described herein. Contractor shall obtain approval from the District prior to charging for any Services that vary from those costs set forth in Exhibit B attached hereto. In the event of early termination described in Section 4.2 hereof, the District shall pay Contractor for all Services satisfactorily performed up to and including the designated termination date. The District is exempt from Colorado sales and use taxes. Contractor shall use reasonable efforts to assure that costs for Services set forth in Exhibit B and charged to the District as set forth in Section 3.2 herein do not include sales and use taxes.

3.2 MONTHLY REPORTS AND PAYMENTS. Contractor shall submit to the District monthly reports in a form acceptable to the District which describes the work completed to date and the work yet to be performed, and summarizes costs paid to date by the District and the amount currently due to Contractor. Contractor shall submit its report together with its invoice to the District by the 5th day of each month for Services completed in the preceding month. The District's Board shall review and approve all invoices received for payment at the next meeting of the Board. The District reserves the right to inspect all services completed and invoiced for payment. In the event inspected services are not accepted for payment by the District, the terms of Section 3.3 herein shall apply.

3.3 INSPECTION OF SERVICES. The District may inspect the Services provided at any time throughout the term of this Agreement and shall notify Contractor if, in the District's discretion, any or all Services are not provided in accordance with this Agreement. Failure by Contractor to properly provide the Services required by this Agreement shall constitute a default hereunder. In such case, the District shall provide written notice of said default to Contractor. Contractor shall have two (2) days to cure the default unless otherwise agreed to by the Parties. If Contractor fails to cure the default within the time period provided, the District shall be entitled to pursue all remedies provided by law and in equity, including specific performance, and to recover all costs and reasonable attorney fees incurred in any suit or claim brought by the District to enforce the terms of this Agreement. In addition, in the event of default by Contractor, the District may hire a third party to complete the Services and Contractor agrees to pay all additional costs incurred for the completion of the Services by a third party.

3.4 EXPENSES. Contractor shall be responsible for all expenses it incurs in performance of this Agreement and shall not be entitled to any reimbursement or compensation except as set forth in Section 3.1 herein unless such expenses are approved for reimbursement in advance by the District in writing. Contractor shall not charge the District any other fee for use by the District of Contractor's offices, personnel, or overhead except as agreed in advance by the District in writing.

3.5 FEE ADJUSTMENT. In the event, this Agreement extends beyond one year, the District and Contractor shall annually analyze the reasonableness of the fees set forth in Exhibit B attached hereto, and may, upon the mutual consent of the District and Contractor, adjust the schedule of fees as deemed appropriate by the Parties. The failure of the District and Contractor to agree upon any such adjustment shall not require a termination of this Agreement nor shall either party be entitled to seek an adjustment from any court or other tribunal.

3.6 ANNUAL BIDDING. The District shall be entitled to bid each calendar year's services under this Agreement as it deems necessary to comply with current law regarding contracts for such services. Contractor shall have no claim against the District if this Agreement is not extended for any budget year.

IV. DURATION AND TERMINATION

4.1 TERM. The term of this Agreement shall begin on the date set forth above, shall be effective as of such date regardless of the date of execution hereof, and shall expire upon completion of the Services, subject to annual appropriations as set forth in Section 7.6 hereof, unless otherwise agreed to in writing by the parties or terminated pursuant to Section 4.2 herein.

4.2 NOTICE OF TERMINATION. The District reserves and has the right and privilege of canceling, suspending or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing written notice to Contractor. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Contractor shall immediately stop rendering services under this Agreement unless otherwise directed by the District. Contractor may terminate this Agreement, with cause, by delivery to the District of written notice of termination at least 30 days prior to the effective date of termination. Contractor shall stop rendering services under this Agreement upon the effective date of termination.

4.3 COMPENSATION. In the event of termination by either party, the District shall pay Contractor for reasonable costs incurred and services satisfactorily performed up to and including the date of the notice of termination if terminated by the District or the effective date of termination if terminated by Contractor. Compensation for work in progress shall be prorated as to the percentage of work completed as of the date of notice of termination or the effective date of termination, as applicable. In ascertaining the services actually rendered hereunder up to the date of notice of termination or the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, pertaining to the Services contemplated herein.

6.1 CERTIFICATION. Prior to the execution of this Agreement, Contractor shall certify to the District, as attached hereto as **Exhibit C**, that at the time of certification, it does not knowingly employ or contract with an illegal alien who will perform work under this Agreement and that Contractor will participate in either the E-Verify Program administered by the U.S. Department of Homeland Security and the Social Security Administration, or in the Colorado Department of Labor and Employment's Employment Verification Program (the "Department Program"), as further described in Section 6.6 herein, in order to confirm the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement.

Regardless of the District's consent, no assignment or transfer shall release Contractor from Contractor's obligation to perform all other obligations to be performed by Contractor hereunder for the Term of the Agreement. Consent to one

assignment shall not be deemed to be consent to any subsequent assignment nor the waiver of any right to consent to such subsequent assignment.

7.3 INDEMNIFICATION. Contractor shall defend, indemnify, assume all responsibility for and hold harmless the District and its directors, officers, consultants, employees, servants, agents, or authorized volunteers, from all claims or suits for any damages to property or injury to persons, and for the costs of litigation and reasonable attorney fees of all such parties and persons that may arise out of any actions undertaken by Contractor pursuant to this Agreement; provided, however, that the provisions of this Section 7.3 shall not apply to loss, damage or claims attributable solely to the intentional acts or omissions of the District.

7.6 SUBJECT TO ANNUAL BUDGET AND APPROPRIATION. The District does not intend hereby to create a multiple-fiscal year direct or indirect debt or other financial obligation whatsoever. The performance of those obligations of the District hereunder requiring budgeting and appropriation of funds are subject to annual budgeting and appropriations.
